

X-Gun®

The "One" gun you need!

GS Manufacturing would like to introduce the new and improved X-GUN® with its patented direct flow design which reduces clogging and lowers fluid pressure. Featuring our proven pneumatic ball valve design which eliminates troublesome needles and no exposed moving parts. Ideal for high viscosity and heavily filled materials such as sprayable granite coatings and coring materials.

MODEL X2015GL Low Emission Gelcoat

MODEL X2015CC Ultra Light Chopper

MODEL X2015GR Granite Spray

MODEL X2015SP Barrier Coats/Coring

MODEL X2015LWX
Adhesives, Epoxy, Urethane

- X-GUN can be used for gelcoat, chopping, wet-out, RTM, Sprayable granite, adhesive dispensing and more!
- Lightweight Billet Aluminum
- Ergonomically Designed Air Trigger to Reduce Operator Fatigue
- Modular Components - spare parts are interchangeable allowing your maintenance team to stock less parts
- No Needles

We proudly serve these industries... Wind Power, Marine, Rail, RV, Automotive, Truck, Tub and Shower, Swimming Pools, Jacuzzis, Water Park and Playground, Storage Tank, Architectural, Recreational Products
